## Views from the Youth Min. for March

Over the last few weeks, our students have been walking through prayer. Does God really hear our prayers? Do our prayers matter? Why should we pray? These are all questions we have been answering in the student ministry. And if we are honest, each of us could improve our prayer life. We often struggle to pray consistently. Doubt creeps in, and our prayer life becomes paralyzed. Let me encourage you with this: God hears your prayers!

Church, thank you for your continued support of this ministry! We are seeing God move in a mighty way within our students! We are thankful to serve with a body of believers that invest in the next generation! May God bless you and keep you!
