Views from the Youth Min. for September

Over the last several weeks, our church has become more active within a local ministry, We Will Go, based in Jackson. I want to tell you from firsthand experience how incredible it is to go and serve with other members of our church in this ministry. Each time we serve, there are 100 families we are able to spend time with, pray with, encourage, and then fill their trunks with groceries to fill their physical needs. I want to encourage you, if you have not been to serve at We Will Go, it is an absolute blessing. Being able to sit down in front of many individuals and have real life conversations that point to the Gospel is incredible.

I want to say, "Thank You!" for continuing to pray and encourage our students! As they are back in their schools, I want to ask you to pray for them to live boldly. They are in a unique mission field that is full of lost people. It is my prayer that our students will be powerful missionaries on their campuses and will point many people to Jesus. Thank you for loving them and encouraging them as they continue to grow in their faith.

By His Grace,
Bro. Ben Hudspeth

Flowood Chimes

I can remember sitting at my computer a couple of weeks ago thinking to myself, "It is hard to believe that Summer has come to an end," yet here we are one month into the 2024-2025 School Year. I hope those of you who are in the school system are having a great year, thus far. I want to challenge the parents to remind their children that they are on the largest mission field most of them will ever step foot on. I hope that you remind yourself of the importance of sharing the Gospel when the opportunity presents itself!

This month's Chimes article may be a little different than most. If I may, I would like to share my heart with you. First, let me say this, I am thankful to serve at Flowood Baptist Church. I believe, over the last several years, we have become more intentional with the mission/vision of our church. I believe that we desire to see our church grow, but most importantly, we desire to see the Kingdom grow. Again, thank you for serving and serving well.

In ministry, a day can change in the blink of an eye. One can go from having "not much on the plate" to a life-changing phone call in a matter of seconds. The following days/weeks can take a toll on one's mind and body. However, that is where I believe our Deacons have really stepped up. As many of you know, a deacon is called to serve. I believe, with all of my heart, that our Deacons desire to serve the Lord and His Church. It is evident in the way they talk, act, and serve even when others are not looking. With that being said, I want to say, "Thank you" to our Deacons for serving and serving well.

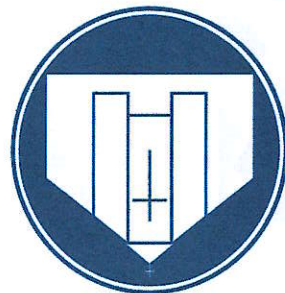

Seasons... there are different seasons that we all experience in this journey called life. You would agree that during these times there are individuals who stay beside you and individuals who neglect you. Now when I say neglect, I don't mean that with any type of ill intentions. It may simply be due to something going on in the life of that individual at that particular time. However, I am thankful for the support that this church gives to those in the time of need. I have seen it over and over again, and it never ceases to amaze me. The cards, the encouragement, the hugs, and the smiles go a long way for individuals who are facing a difficult situation. Notice the way the Apostle Paul says it to the Church of Thessalonica in **I Thessalonians 5:11**, "Wherefore comfort yourselves together, and edify one another, even as also ye do." I believe, with all of my heart, this passage of Scripture sums up the actions of the people of Flowood Baptist Church. For that, I am grateful!

May the Lord continue to bless you! May the Lord continue to bless your family. May the Lord continue to bless Flowood Baptist Church! God is Good! God is Great! Flowood Baptist is faithful to the Commission set before us!

In His Grip,
Bro. Bobby
