Views from the Youth Min. for March

It's hard to believe, but our Guatemala Mission Trip for our High School and College students is here! I'm excited about the opportunity our students are going to have growing His Kingdom in another country! Our team will consist of 9 students and 4 adults. We will be serving in different villages doing kids and youth ministry activities geared towards evangelism, as well as going door to door sharing the gospel in the communities. Our students are going to be challenged to step out of their comfort zones by doing this! 7 of our 9 students have either never flown before or were so young that they don't remember it, so they are stepping out just by getting on the plane!

On Sunday, March 2nd, there will be a prayer guided inserted in the Worship Bulletin showing you how you can pray for this trip! There's a lot of preparation that goes into a trip like this, but I believe that prayer is the most important thing we can do to prepare. Would you intentionally pray for this trip the week prior to leaving? We are expecting God to work in a powerful way in Guatemala, in the lives of those we encounter, and in our own lives. Thank you for your support of this trip financially, through your encouraging words, and through your prayers! My prayer is that God will be glorified as our students do His Work in Guatemala!

May God bless you and keep you!

By His Grace,
Bro. Ben Hudspeth

Pondering thoughts on one of the greatest verses about the love of God, John 3:16.

The Perimeter of God's love. God loved the "world." That is the perimeter of His love and shows the greatness of His love. No perimeter of love is so large. No love has embraced so many as God's love. If we love a few neighbors, relatives, friends and most of our family, we think we are filled with love. But compared to the perimeter of God's love, we have not even begun to love.

Proof of God's love. "Gave" is the proof of God's love. It is the proof of any love. And what one gives shows the extent of the love. God gave His Only Son, Jesus Christ, to be our Savior. It was the costliest and greatest gift ever given to man which emphasizes the greatness of God's love. If you say you love God but are stingy with the offering plate, you do not love God much. Real love will give generously.

Prudence of God's love. "Gave his only begotten Son." True love gives the best gifts. Love is discerning and wise. Love gets the right gifts for the one loved. God gives us exactly what we needed the most. No other gift was so needed, so profitable, so fitting as the gift He gave to man.

Protection of God's love. "Shall not perish." Love protects the one that is loved. And the protection God gives is the best protection of all, for it is spiritual protection and it is permanent protection.

Provision of God's love. "Shall have everlasting life." God's love provides life. And the greatness of His love is seen in the greatness of the life provided. This life is not a second rate life but is the best life of all. Furthermore, the life He gives is everlasting life. It will never end. All of this emphasizes that God's love is great indeed.

For His Glory,
Jon Vanlandingham
