Views from the Youth Min. for February

During the month of January, the Flowood Baptist Student Ministry is taking a deep dive into identity and what it means for the life of a believer. Our 4-week sermon series is titled "Who Am I?" and aims to help a student navigate through his or her life.

A concept that we have discussed is the fact that God knows you fully. **Jeremiah 1:5** reads, "*Before I formed you in the womb, I knew you, and before you were born, I consecrated you; I appointed you a prophet to the nations.*" God knows you! The way you are wired, the way that your brain processes information, your story, even the hard parts of your story, your humor, your personality. None of these things caught God by surprise, for He authored your life with His intention. God designed YOU with a purpose. He handcrafted every detail with intentionality.

God did not rush any part of creating you. You are unique, one of a kind.

I challenge you to live as though we are fully known by God and to rejoice in that fact!

God Bless!
Bro. Hudson

Flowood Chimes

As I sat down to write this month's article for the chimes, all I could think about was what the Lord has done at Flowood Baptist Church. I know many of you have been attending this church far longer than I have, so I am sure that you have more stories to tell. However, over the last two years, it is evident that the Lord has moved His church in a direction that is impacting the Kingdom and giving Him glory. Aren't you thankful you can see it firsthand? If you are anything like me, you hear things at times and wonder if they are true. I would be skeptical if I heard that the Lord was working here without having the opportunity to see it myself. The good news is I do get to see what the Lord is doing. I hope you are not missing it!

If you have not noticed or recognized it, we invite you to see it firsthand in a couple of weeks. On Sunday, February 8, 2026, during our morning worship service, we will have a "Note-Burning Service" to celebrate being debt-free. I hope you will make plans to attend and be part of a wonderful day in the house of the Lord. Following our morning service, we will have dinner on the grounds, so we invite you to stay and be a part of that as well. As incredible as this is, we must remember how it came to be. Yes, our people prayed and gave! Yes, our people sacrificed! Yes, our people saw the vision and accepted the vision. However, most importantly, God allowed the vision to be given. God gave us the privilege to pray and give. God gave us the perfect example of sacrifice.

Acts 20:35, "I have shewed you all things, how that so labouring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, It is more blessed to give than to receive." When studying this passage of scripture, we find that it is geared toward a minister of the local church. In fact, commentators believe it to be portrayed as the minister realizing he is to be a giver and a servant far more than a taker. Now, let us be honest, whether we are a minister or a layperson, there are times when we prefer to receive rather than give. We are all guilty of that. However, it is never too late to realize the blessing that comes from giving unto the Lord. As we look forward to our time together on February 8, good Lord willing, may we be reminded of those before us who saw the vision. I would encourage you to be reminded of those who accepted the vision and desired to see it followed through. Finally, I would encourage you to remember all those who sacrificed to make this a reality. However, we cannot stop there. I would encourage you to be reminded of those who are accepting the directions of the next season of ministry at Flowood Baptist Church.

As I have said many times, "**We must remember where we came from to appreciate where we are to remain focused on where we are going.**" The question is: "Where are we going?" We are going to make disciples in Flowood! I hope to see you soon! May the Lord continue to bless each of you! May the Lord continue to bless His Church!

In His Grip,
Bro. Bobby

Brotherhood Breakfast

Sunday, February 22nd
7:00 am Fellowship Hall

Every year in the month of February, I think about LOVE.

I think about the love that I have for my lovely spouse. Such a tender hearted, compassionate woman. I am truly blessed. Then honestly, I think about the love that I have for my grandchildren. Pure joy! Yes, then I remember my children and their spouses. I love them also.

But the greatest of all love is given to us in John 3:16 – “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting love.”

Perimeter of God’s love – “God loved the “world.” No other perimeter of love is so large. God has loved every individual that has ever been created. His love is not based on age, nationality, gender or anything else. God has loved mankind since the beginning of time.

Proof of God’s love – “Gave” is the proof of God’s love. It is the proof of any love. And what one gives shows the extent of the love. God gave His Only Son, Jesus Christ, to be our Savior. It was the costliest and greatest gift ever given to man which emphasizes the greatness of God’s love.

Prudence of God’s love – “Gave his only begotten Son.” True love gives the best gifts. Love is discerning and wise. Love gets the right gifts for the one loved. God gave us exactly what we needed the most. No other gift was so needed, so profitable, so fitting as the gift He gave to man.

Protection of God’s love – “Shall not perish.” Love protects the one that is loved. And the protection God gives is the best protection of all, for it is spiritual protection and it is permanent protection.

Provision of God’s love – “Shall have everlasting life.” God’s love provides life. This life is not a second-rate life but is the best life of all. Furthermore, the life He gives is everlasting life. It will never end. All of this emphasizes that God’s love is great indeed.

Remember today, that above all things, you are loved by God.

For His Glory,
Bro. Jon
