Views from the Youth Min. for October

The weatherman says that it may begin to feel like Fall soon! (I am not convinced.) I would love for the leaves to start changing and for it to feel nice enough to go on a walk outside. The weatherman is notoriously inaccurate at times. What may be inconvenient to us, in the grand scheme of things, really does not matter all that much, unless you're farming or otherwise. What does matter is God and His truth and holy will.

While sometimes the weather is a guessing game, Scripture is clear. Scripture is clear that God's Word is **TRUTH** (*John 17:17*), God's Word is the **STANDARD** (*2 Timothy 3:16-17*), and God's Word is **INFINITE** (*Matthew 24:35*). Follow and obey Almighty God and trust Him always. In a world where we may receive incorrect weather forecasts, know that God is true and that His Word is clear. The challenge is to build our life on God's Word as a foundation for our future. We must come and submit to the Lord, repent, and follow Him as we know He can be trusted wholeheartedly (especially when all else eventually fails us). Give God the Glory!

God Bless!
Bro. Hudson

Divine Guidelines for Good Government

“The God of Isreal said, the Rock of Israel spoke to me, He that ruleth over men must be just, ruling in the fear of God.” 2 Samuel 23:3

The words of David in our verse about the ruler apply in principle to any government.

The Foundation of a nation: “The God of Israel . . . the Rock of Isreal.” One thing a rock speaks of is a foundation. God is the Solid Rock upon which we can build a nation. If a nation wants to be stable and strong, let it build upon God and His Word. Our nation was founded on many Divine principles. And these principles, though despised by many today, are what made our nation strong.

The Fortress of a nation: In the Bible, a rock sometimes speaks of a fortress. It is strong and durable and will protect from the attack of the enemy. The best protection a nation has is not in its armies and arms, though good and necessary they may be, but it is in God. The best armies are no match for God. Let a nation have God as their fortress, and they can defeat any enemy.

The Fairness of a nation: “He that ruleth over men must be just.” This truth applies to the entire government, not only to the chief ruler. Fairness, equity, truth, justice, and righteousness must guide the government. Unfortunately, corruption too often guides many governments today.

The Fear of a nation: “Ruling in the fear of God.” The meaning of fear here is reverence, respect, and honor. A government and a nation need to bow down before God and honor Him. Taking God off our pledges, out of our schools and off coins is just the opposite. Failure to honor God will destroy a nation.

I know elections come and go, but I believe that Christians should support those candidates who are lining up with these principles of God’s Word.

For His Glory,
Bro. Jon
